

Smartive IO Expander

EU Declaration of Conformity

SM-IO-EXP-EU-DOC-EN-001 | Issue 1.0 | 2026-06-23 | Final

EU Declaration of Conformity

Apptive Kft declares under its sole responsibility that the product identified below, in the fixed final release configuration, conforms to the listed Union harmonisation legislation.

Field	Content
Manufacturer	Apptive Kft
Registered address	9932 Viszák, Fő út 56, Hungary
Company registration / tax number	18-09-113037 / 25776218-2-18
Product	Smartive IO Expander
Model, code and revision	Input Module, SM-IO-EXP, Rev. 1.0
Product type	16-channel, 5 V Smartive input expander module
Supply	5 VDC SELV
Inputs	16 x low-voltage inputs for switches, motion sensors or similar dry-contact/SELV signals; max. 5 V.
Applicable EU legislation	2014/30/EU EMC; 2011/65/EU RoHS, as amended by (EU) 2015/863
LVD status	Directive 2014/35/EU LVD is not applied: the product operates in the 5 VDC SELV range and has no mains or hazardous-voltage output.
Conformity assessment	Internal production control; no notified body involved.
Retention	The technical documentation and this declaration are retained for at least 10 years after the product is placed on the EU market.

Harmonised and applied standards

Area	Standard	Application
EMC	EN 61000-6-1:2007; EN 61000-6-3:2007 + A1:2011; EN 61000-6-2:2005; EN 61000-6-4:2007 + A1:2011	Generic emission and immunity assessment for the final wired 5 V input-module configuration.
RoHS	EN IEC 63000:2018	Technical documentation for substantiating material conformity.
Safety boundary	5 VDC SELV installation condition; Directive 2014/35/EU LVD outside scope	No mains voltage is connected to the product; use only with CE-marked SELV supply and Smartive-compatible wiring.
